The list of participating employers is available for inspection at the fund's registered office.

SCHEDULE B

STATEMENT OF RESPONSIBILITY BY THE BOARD OF FUND For the year ended 31 March 2016

Responsibilities

The Board of Fund hereby confirm to the best of their knowledge and belief that, during the period under review, in the execution of their duties they have complied with the duties imposed by Pension Funds Act legislation and the rules of the fund, including the following:

- ensured that proper registers, books and records of the operations of the fund were kept, inclusive of proper minutes of all resolutions passed by the Board of Fund;
- ensured that proper internal control systems were employed by or on behalf of the fund;
- ensured that adequate and appropriate information was communicated to the members of the fund, informing them of their rights, benefits and duties in terms of the rules of the fund,
- took all reasonable steps to ensure that contributions, where applicable, were paid timeously to the fund or reported where necessary in accordance with section 13A and regulation 33 of the Pension Funds Act;
- obtained expert advice on matters where they lacked sufficient expertise;
- ensured that the rules and the operation and administration of the fund compiled with the Pension Funds Act and all applicable legislation;
- ensured that fidelity cover was maintained and that this cover was deemed adequate and in compliance with the
 rules of the fund; and
- ensured that investments of the fund were implemented and maintained in accordance with the fund's investment strategy.

Approval of the annual financial statements

The annual financial statements of Natal Joint Municipal Pension Fund (Retirement) are the responsibility of the Board of Fund. The Board of Fund fulfils this responsibility by ensuring the implementation and maintenance of accounting systems and practices adequately supported by internal financial controls. These controls, which are implemented and executed by the fund and/or its benefit administrators, provide reasonable assurance that:

- the fund's assets are safeguarded;
- transactions are properly authorised and executed; and
- · the financial records are reliable.

The annual financial statements set out on Schedules F, G and HA have been prepared for regulatory purposes in accordance with the Regulatory Reporting Requirements for Retirement Funds In South Africa, the rules of the fund and the Pension Funds Act.

These financial statements have been reported on by the Independent auditor, Auditor-General of South Africa, who was given unrestricted access to all financial records and related data, including minutes of all relevant meetings. The Board of Fund believes that all representations made to the independent auditor in the management representation letter during the audit were valid and appropriate. The report of the independent auditor is presented on Schedule D.

Instances of non-compliance

We are not aware of instances of non-compliance with laws and regulations, including the provisions of laws and regulations that determine the reported amounts and disclosures in the financial statements.

STATEMENT OF RESPONSIBILITY BY THE BOARD OF FUND - CONTINUED For the year ended 31 March 2016

These financial statements:

- were approved by the Board of Fund on 13 September 2016;
- are to the best of the Board members knowledge and belief confirmed to be complete and correct;
- fairly represent the net assets of the fund at 31 March 2016 as well as the results of its activities for the period then ended; and

are signed on behalf of the Board of Fund by

SCHEDULE D REPORT OF THE AUDITOR TO THE BOARD OF FUND

Insert the relevant report as indicated in the matrix below:

| Schedule | Category | Annexure |
|--------------|----------------|----------|
| Schedule D 1 | Umbrella funds | 1 |

^{*} Ordinary – any fund other than an umbrella, Retirement Annuity or Preservation Fund

Report of the auditor-general to the Board of Trustees and the Registrar of Pension funds on the Natal Joint Municipal Pension Fund- Retirement

Report on the financial statements

Introduction

 I have audited the annual financial statements of the Natal Joint Municipal Pension Fund (Retirement) set out on Schedule F to HA, which comprise the statement of net assets and funds as at 31 March 2016, and the statement of changes in net assets and funds for the year then ended, and a summary of significant accounting policies and other explanatory information.

The Board of Trustees' responsibility for the financial statements

2. The Board of Trustees are responsible for the preparation of these financial statements for regulatory purposes, in accordance with the Regulatory Reporting Requirements for Retirement Funds in South Africa as set out in Annexure B to the financial statements, the requirements of the Pension Funds Act, 1956 (Act No. 24 of 1956) (PFA), and for such internal controls as management determines necessary to enable the preparation of the financial statement that are free from material misstatement, whether due to fraud or error.

Auditor-General's responsibility

- 3. My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with the International Standards on Auditing. Those standards require that I comply with ethical requirements, and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
- 4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
- 5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

6. In my opinion, the financial statements of Natal Joint Municipal Pension Fund (Retirement) as at 31 March 2016 have been prepared, in all material respects, in accordance with the Regulatory Reporting Requirements for Retirement Funds in South Africa as set out in Annexure B to the financial statements and the requirements of the PFA.

Emphasis of matters

I draw attention to the matter below. My opinion is not modified in respect of this matter.

Basis of accounting

8. The financial statements are prepared in accordance with the basis of preparation indicated above. Consequently, the financial statements and related auditor's report may not be suitable for another purpose.

Report on other legal and regulatory requirements

9. In accordance with the Public Audit Act of Scuth Africa, 2004 (Act No. 25 of 2004) (PAA) and the general notice issued in terms thereof, I have a responsibility to report findings on the reported performance information against predetermined objectives, compliance with legislation and internal control. The objective of my tests was to identify reportable findings as described under each subheading but not to gather evidence to express assurance on these matters. Accordingly, I do not express an opinion or conclusion on these matters.

<u>Predetermined objectives</u>

10. I did not audit performance against predetermined objectives, as the fund is not required to prepare a report on its performance against predetermined objectives. The fund does not fall within the ambit of the Public Finance Management Act of South Africa, 1999 (Act No. 1 of 1999) and the PFA internal frameworks and policies do not require reporting on performance against predetermined objectives.

Compliance with laws and regulations

11. I performed procedures to obtain evidence that the fund had complied with applicable legislation regarding financial matters, financial management and other related matters. I did not identify any instances of material non-compliance with specific matters in key legislation, as set out in the general notice issued in terms of the PAA.

Internal control

 considered internal control relevant to my audit of the financial statements and compliance with legislation. I did not identify any significant deficiencies in internal control.

SCHEDULE E

REPORT OF THE BOARD OF FUND For the year ended 31 March 2016

1. DESCRIPTION OF THE FUND

1.1. Type of fund

The fund is a pension fund and is a defined benefit fund.

1.2. Benefits

1.2.1. The Fund was established in 1967 as a defined contribution fund, and was subsequently converted into a defined benefit fund in 1975. The Fund provides lump sum and monthly pension benefits to members upon early retirement from age 55 to normal retirement at age 65, and to spouses and eligible children upon the death of members, subject to the provisions of the Regulations, calculated on salary and service.

1.2.2 Unclaimed benefits

The Strategy of Board of Fund towards unclaimed benefits is to endeavour to trace beneficiaries and thus effect payment of unclaimed benefits. The Fund has maintained complete records, as prescribed, in respect of unclaimed benefits.

1.3. Contributions

- 1.3.1. Description in terms of the rules of the fund.
 - 1.3.1.1. Members' contribute at a rate of 7% of their pensionable emoluments, Members may make additional voluntary contributions as per the rules of the fund.
 - 1.3.1.2. Participating employers contribute at a rate of 18.37% of pensionable salary, A surcharge of 15.85% of members' salary has been charged to participating employers.

1.4. Rules/ amendments

1.4.1. Amendments (period under review)

There were no rule amendments during the period under review.

1.4.2. Revised rules / consolidated rules:

During the current financial period the rules of the fund were not completely revised / consolidated.

1.5. Reserves and specified accounts established in terms of the rules of the fund Solvency and Risk reserves – see note 21.

REPORT OF THE BOARD OF FUND - CONTINUED For the year ended 31 March 2016

2. INVESTMENTS

2.1. Investment strategy

The primary objective of the Fund is to ensure that full benefits in accordance with the regulations of the fund can be paid as and when they arise. It is provided in the Fund's regulations that pension increases must also keep up with a minimum of 75% of the cumulative increase in the consumer price index.

- 2.1.1. General: The Committee of Management has appointed Investment Managers to Invest the Fund's assets and meet the Investment objectives set out in the Investment Policy Statement (which is available for inspection at the Fund's offices) and has also appointed Alexander Forbes a the investment consultant to report back on performance and ensure manager compliance with the mandate. The Committee of Management meets monthly to monitor the asset allocation, investment performance and compliance.
- 2.1,2. Individual member choice: N/a
- 2.1.3. Unclaimed benefits: The strategy of the committee of management relative to unclaimed benefits is to endeavour to trace beneficiaries and thus effect payment of unclaimed benefits. The Fund has maintained complete records, as prescribed, in respect of unclaimed benefits.
- 2.1.4. Surplus apportionment allocations: N/a
- 2.1.5. Reserve accounts : N/a
- 2.1.6. Settlement income: N/a
- 2.1.7. Derivative Instruments: The Board of Fund utilises derivative Instruments as part of their investment strategy. The Board of Fund ensures that the following have been complied with:
 - The exposure of the asset class does not exceed the maximum percentages as prescribed to the underlying asset as set out in Regulation 28.
 - The investment mendate is in place and reviewed by the Board of Fund on a regular basis
 to ensure compliance with the requirements as prescribed by Regulation 28 and the
 relevant Notice.
 - The investments are monitored for compliance with the provisions of regulation 28 and adherence to the investment mandate.
- Hedge funds: The Board of Fund does not utilise hedge funds as part of their investment strategy.
- Private Equity Funds: The Board of Fund does not utilise private equity funds as part of their investment strategy.
- 2.1.10. Securities Lending Transactions: The Board of Fund utilises securities lending transactions as part of their investment strategy. The Board of Fund ensures that the securities lending transactions are in compliance with the relevant conditions as prescribed by Notice issued by the Registrar of Pension Funds.

REPORT OF THE BOARD OF FUND - CONTINUED For the year ended 31 March 2016

2.2. Management of Investments

KEY PERFORMANCE OBJECTIVES

The Long Term Investment Objectives of the Funds as approved by the Committee of Management are:

- To achieve a long-term real return of at least *CPI plus 5% net of investment fees over rolling five-year periods
- In addition, the manager is expected to add returns of 2% a year in excess of that achieved from the passive benchmark portfolio, measured over rolling 5 year periods.
- During the Financial year the Committee of Management and the Fund's Actuary having considered the Liabilities of the Fund, using appropriate stochastic asset modeling tools have from 1 April 2011 increased the long term investment objective return from CPI plus 4.5% to at least CPI plus 5.0% net of investment fees over rolling five-year periods. This long term real rate of return is, in the Committee of Management considered opinion, the minimum required.

PERFORMANCE RESULTS

| Year | *CPI + 5% | Retirement Fund % Return |
|-------------------------------|-----------|-----------------------------|
| 5 years to 31st March 2016 | 10.7 | 15.1 |

| Year | Retirement Fund % Return | Investment Manager Benchmark |
|-------------------------------|--------------------------|---------------------------------|
| 5 years to 31st March 2016 | 15.1 | 14.7 |

The Fund has achieved the long term investment objective of achieving at least *CPI+5% over the 5 years to 31 March 2016 having outperformed by 4.4% p.a. The Fund achieved investment manager benchmark plus 0.4% p.a. over the 5 years to 31 March 2016 The Fund has achieved excellent short and long term investment performance which has enabled the Fund to increase and improve benefits to members of the defined benefits. The Retirement Fund is consistently ranked in the top half over the long term, in the Alexander Forbes Global Large Manager Watch Survey. This makes the Fund one of the country's top investment managers with consistent long term outperformance.

Source: Alexander Forbes

^{*}The investment objective prior to 1/4/2011 was CPI + 4.5%

REPORT OF THE BOARD OF FUND - CONTINUED For the year ended 31 March 2016

4. ACTUARIAL VALUATION

The financial statements summarise the transactions and net assets of the fund. The financial statements do not take account of liabilities to pay pensions and other benefits in the future. In accordance with the rules of the fund, the actuarial position of the fund, which does take account of such liabilities, is examined and reported on by the actuary at intervals not exceeding three years. An actuarial valuation was performed as at 31 March 2014 and the Valuator reported that the fund was not in a sound financial position, but the surcharge being paid is expected to restore the fund to a sound financial position within the period permitted by the FSB.

5. SURPLUS APPORTIONMENT OR NIL SCHEME

There was no surplus available for distribution at the surplus apportionment date (31 March 2003). Future surpluses as may be disclosed are for the account of the employers and may be used by them at their discretion for any of the purposes set out in Section 15E of the Pension Funds Act, 1956.

6. HOUSING LOAN FACILITIES

The fund has granted housing loan guarantees in terms of Section 19(5) of the Pension Funds Act. Each guarantee is secured by the fund credit of the respective member. The loan is limited to 50% of the respective member's fund credit.

7. INVESTMENTS IN PARTICIPATING EMPLOYERS

The fund holds no direct investments in the participating employer.

NATAL JOINT MUNICIPAL PENSION FUND (RETIREMENT) NOTES TO THE FINANCIAL STATEMENTS – CONTINUED For the period ended 31 March 2016

PRINCIPAL ACCOUNTING POLICIES

The following are the principal accounting policies used by the Fund, which are consistent with those of the previous year.

Basis of preparation

The financial statements are prepared in accordance with the Regulatory Reporting Requirements for Retirement Funds in South Africa, the rules of the Fund and the provisions of the Pension Funds Act in South Africa, except for the following requirements applicable to the :

- * Disclosure of cash flow information.
- * Disclosure of prior year adjustment.
- * Presentation of consolidated financial statements in which investments in subsidiaries are consolidated in accordance with the standard on consolidated and separate financial statements.

The financial statements are prepared on the historical cost and going concern basis, modified by the valuation of financial instruments and investment properties to fair value, and the revaluation of property, plant and equipment to market value.

Property, plant and equipment

- * All property and equipment is initially recorded at cost. Land and buildings are subsequently shown at market value, based on annual valuations by external independent valuers.
- * Decreases that offset previous increases of the same asset are charged to the income statement.
- * Depreciation is calculated on the straight-line method to write off the cost of each asset, or the revalued amounts, to their residual values over the estimated useful life as follows

Computer equipment and software
 Office equipment
 Furniture & fittings
 5 years
 10 years

The useful life of the existing assets has been further extended to March 2015

- * Where the carrying amount of an asset is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount (i.e. Impairment losses are recognised).
- * Gains and losses on disposal of property, plant and equipment are determined by reference to their carrying amount and are taken into account in determining the net surplus or deficit.
- Maintenance and repairs, which neither materially add to the value of assets nor appreciably prolong their useful lives, are charged against income.

Financial Instruments

A financial asset is any contract that gives rise to both a financial asset of one entity and a financial liability or equity instrument of any other entity. A financial asset or a financial liability is recognised when its contractual arrangements become binding and is derecognised when the contractual rights to the cash flows of the instrument expire or when such rights are transferred in a transaction in which substantially all risks and rewards of ownership of the instrument are transferred.

Financial instruments carried on the statement of net assets and funds, include cash and bank balances, investments, receivables and accounts payable.

Financial instruments are recognised on acquisition using trade date accounting, which includes transaction costs. Upon initial recognition financial instruments are designated at fair value through the statement of changes in net assets and funds as the assets or liabilities are managed, evaluated and reported internally on a fair value basis.

Subsequent to Initial recognition, these instruments are measured as set out below.

NATAL JOINT MUNICIPAL PENSION FUND (RETIREMENT) NOTES TO THE FINANCIAL STATEMENTS – CONTINUED For the period ended 31 March 2016

PRINCIPAL ACCOUNTING POLICIES

Investment property

- * Investment properties are held to earn rental income and appreciate capital value.
- * Investment properties are accounted for at fair market value determined annually by an external independent professional valuer. Fair value adjustments are included in the net surplus or deficit for the period. Investment properties are not subject to depreciation.

Investments

Investments are classified as "at fair value through the statement of changes in net assets and funds" and are measured at fair

Debentures and exchange traded funds

The fair value of listed debentures and exchange traded funds traded on active liquid markets is based on regulated exchange quoted ruling prices at the clost of business on the last trading day on or before the statement of net assets and funds date

Bills and bonds

Bills and bonds comprise investments in government or provincial administration, local authorities and corporate bonds. The fair value of listed bills and bonds traded on active liquid markets is based on regulated exchange quoted ruling closing prices at the close of business on the last trading day on or before the statement of net assets and funds date.

Cash and deposits

Cash and deposits consist of deposits held at call with banks, other liquid investments with maturities of 12 months or less, structured deposit products and safex margin accounts. Cash and deposits are measured at fair value.

Investments in structured deposit products secured by bonds, which represent agreed annuity payments from banks in return for initial deposit amounts, are valued at the present value of the future cash flows applying market related interest rates stipulated in the structured arrangements.

Equities

Equity instruments consist of equities with primary listing on the JSE, equities with secondary listing on the JSE, foreign listed equities and unlisted equities.

Equity instruments designated as fair value through the statement of net changes in assets and funds by the fund are initially recognised at fair value on trade date.

Listed equities

Equity instruments are subsequently measured at fair value and the fair value adjustments are recognised in the statement of net changes in assets and funds. The fair value of equity instruments with standard terms and conditions and traded on active liquid markets is based on regulated exchange quoted ruling closing prices at the close of business on the last trading day on or before the statement of net assets and funds date.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determined payments that are not quoted in an active market other than those that the fund intends to sell in the short term or that its designated as at fair value through the statement of changes in net assets and funds. Loans and receivables are measured at fair value.

NATAL JOINT MUNICIPAL PENSION FUND (RETIREMENT) NOTES TO THE FINANCIAL STATEMENTS – CONTINUED For the period ended 31 March 2016

PRINCIPAL ACCOUNTING POLICIES

Unlisted equities

If a quoted closing price is not available the fair value is estimated using pricing models, or by applying appropriate valuation techniques such as discounted cash flow analysis or recent arm's length market transactions in respect of equity instruments.

Preference shares

The fair value of listed preference shares traded on active liquid markets is based on regulated exchange quoted ruling closing prices at the close of business on the last trading day on or before the statement of net assets and funds date.

Insurance policies - linked or market-related policies

If the policy is unitised, the value is equal to the market value of the underlying units. Other linked or market-related policies are valued at the market value of the underlying assets for each policy, in line with the insurers valuation practices.

Collective investment schemes

Investments in collective investment schemes are valued at fair value which is the quoted unit values, as derived by the collective investment scheme administrator with reference to the rules of each particular collective investment scheme, multiplied by the number of units.

Derivative market instruments

Derivative market instruments consist of options, equity linked instruments and futures/forwards - SAFEX.

Derivatives are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at their fair value. Fair values are obtained from regulated exchange quoted market prices in active markets, including discounted cash flow models and option pricing models, as appropriate. The fund does not classify any derivatives as hedges in a hedging relationship.

The best evidence of the fair value of a derivative at initial recognition is the transaction price (i.e. the fair value of the consideration given of received) unless the fair value of that instrument is evidence by comparison with other observable current market transactions in the same instrument (i.e. without modification or repackaging) based on a valuation technique whose variables include only data from observable markets.

Options

Options are valued using option pricing models. Options are settled on a daily basis with profits and losses transferred to a deposit account reflected under cash and deposits in the statement of net assets.

Futures/forwards

The fair value of publicly traded derivatives is based on quoted closing prices for assets held or liabilities issued, and current offer prices for assets to be acquired and liabilities held. Futures are settled on a daily basis with profits and losses transferred to a deposit account reflected under cash and deposits in the statement of net assets.

Cash at bank

Cash at bank comprises cash in hand and other short-term highly liquid investments with original maturities of three months or less. Cash at bank is measured at fair value.

Reserves

Reserve accounts comprise particular amounts of designated income and expenses as set out in the rules of the fund and are recognised in the period in which such income and expenses accrue to the fund.

NATAL JOINT MUNICIPAL PENSION FUND (RETIREMENT) NOTES TO THE FINANCIAL STATEMENTS – CONTINUED For the period ended 31 March 2016

PRINCIPAL ACCOUNTING POLICIES

Transfers to and from the Fund

Section 14 transfers to or from the Fund are recognised on the date of approval of transfer of business by the Financial Services Board, as contained in the approval certificate from the Registrar. These are measured at the values as per the section 14 application or the value of the transfer at effective date of transfer adjusted for investment return or late payment interest as guided by the application.

Accounts receivable

Accounts receivable are financial assets measured initially at fair value and subsequently measured at amortised cost, using the effective interest method, less allowance for impairment.

Accounts payable

Accounts payable are financial liabilities measured initially at fair value, net of transaction cost that are directly attributable to the liability and subsequently measured at amortised cost using the effective interest rate method.

Impairment

Financial assets carried at amortised cost

The fund assesses at each statement of assets and funds date whether there is objective evidence that a financial asset or group of financial assets is impaired. A financial asset or group of financial assets is impaired and impairment losses are incurred only if there is objective evidence of impairment as a result of one or more events that have occurred after the initial recognition of the asset (a loss event) and that loss event has an impact on the estimated future cash flows of the financial asset or group of financial assets that can be reliably estimated.

The fund first assesses whether objective evidence of impairment exists individually for financial assets that are individually significant. If the fund determines that no objective evidence of impairment exists for an individually assessed financial asset, whether significant or not, it includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment.

If there is objective evidence that an impairment loss has been incurred on loans and receivables or held to maturity investments carried at amortised cost, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flow (excluding future credit losses that have been incurred) discounted at the financial assets original effective interest rate. The carrying amount of the asset is reduced and the amount of the loss is recognised in the statement of changes in net assets and funds.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised (such as improved credit rating), the previously recognised impairment loss is reversed in the statement of changes in net assets and funds.

Provisions

Provisions are recognised when the Fund has a present legal or constructive obligation as a result of past events, for which it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the expenditure required to settle the present obligation at the statement of net assets and funds date, as determined by the judgment of the board of trustees of the Fund.

Contingent Habilities

A contingent liability is not recognised in the statement of net assets and funds, but disclosed in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits is remote.

NATAL JOINT MUNICIPAL PENSION FUND (RETIREMENT) NOTES TO THE FINANCIAL STATEMENTS – CONTINUED For the period ended 31 March 2016

PRINCIPAL ACCOUNTING POLICIES

Contingent assets

A contingent asset is not recognised in the statement of net assets and funds, but disclosed in the notes to the financial statements when an inflow of economic benefits is probable.

Contributions

Contributions are measured at the fair value of the consideration receivable. Contributions are accrued and recognised as income in accordance with actuarial recommendations and the rules of the Fund. Any contributions outstanding at the end of the reporting period are recognised as a current asset. Any contributions received in advance at the end of the reporting period are recognised as a current liability.

Interest charged on late payment of Contributions

Interest on late payment of contributions is accounted for in the statement of changes in net assets and funds using the effective interest rate method.

Benefits

Benefits payable and pensions are measured in terms of the rules of the fund.

Benefit payments and monthly pension payments are recognised as an expense when they are due and payable in terms of the rules of the fund. Any benefits not paid at the end of the reporting period are recognised as a current flability - benefits payable.

Dividend Income, Interest and rentals

- * Interest income is accounted for in the statement of changes in net assets and funds using the effective interest rate method.
- * Dividends are recognised in the statement of changes in net assets and funds when entitlement to revenue is established this is the last date to trade for equity securities.
- * Rental income is recognised on a straight-line basis over the lease term.
- * Gains and losses arising from changes in the fair value of financial assets are presented in the statement of changes in net assets and funds in the period in which they arise.
- * Expenses in respect of the management of investments are recognised as the service is rendered.
- * All income derived from script lending is included in the statement of changes in net assets and funds.

Administration expenses

An expense is recognised if it is probable that any future economic benefit associated with the item will flow from the fund and the item has a cost or value that can be reliably measured.

Expenses incurred in the administration of retirement funds are recognised in the statement of changes in net assets and funds in the reporting period to which they relate.

In the event that an expense has not been paid at the end of the reporting period the liability will be reflected in the accounts payable note. If the expense was paid in advance or overpayment occurred, the applicable amount will be disclosed under the accounts receivable note.

Accounting policies, changing in accounting estimates and errors

The fund applies adjustments arising from changes in accounting policies and errors prospectively. The adjustment relating to a change in the accounting policy or error is therefore recognised in the current and future periods affected by the change.

NATAL JOINT MUNICIPAL PENSION FUND (RETIREMENT) NOTES TO THE FINANCIAL STATEMENTS – CONTINUED For the period ended 31 March 2016

PRINCIPAL ACCOUNTING POLICIES

Comparatives

Where necessary, comparative figures have been reclassified to conform to changes in presentation.

Related parties

In considering each possible related party relationship, attention is directed to the substance of the relationship and not merely the legal form.

If there have been transactions between related parties, the fund shall disclose the nature of the related party relationship as well as the following information for each related party relationship (if applicable):

- * The amount of the transactions;
- * The amount of outstanding balances,
- * Their terms and conditions, including whether they are secured and the nature of the consideration to be provided in the settlement:
- * Details of guarantees given or received;
- * Provision for doubtful debts related to the amount of outstanding balances; and
- * The expense recognised during the period in respect of bad or doubtful debts due from related parties.

Foreign transactions policy

In preparing the financial statements of the Fund, transactions in currencies other than the Fund's functional currency which is SA Rands, (foreign currencies) are recorded at the rates of exchange prevailing on the dates of the transactions. At each balance sheet date, monetary items denominated in foreign currencies are retranslated at the rates prevailing on the balance sheet date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing on the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences arising on the settlement of monetary items, and on the retranslation of monetary items, are included in profit or loss for the period. Exchange differences arising on the retranslation of non-monetary items carried at fair value are included in profit or loss for the period except for differences arising on the retranslation of non-monetary items in respect of which gains and losses are recognised directly in equity. For such non-monetary items, any exchange component of that gain or loss is also recognised directly in equity.

17 Risk management policies

The fund's risk management policies are established to identify and analyse the risks faced by the fund, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the fund's activities.

Solvency risk

Solvency risk is the risk that the investment returns on assets will not be sufficient to meet the funds contractual obligations to members.

Continuous monitoring by the Board and the fund's actuary takes place to ensure that appropriate assets are held where the funds obligation to members are dependent upon the performance of specific portfolio assets and that a suitable match of assets exists for all other liabilities.

Credit risk

Credit risk is the risk that a counter-party to a financial instrument will fail to discharge an obligation, and cause the fund to incur a financial loss. The Board monitors receivable balances on an on-going basis with the result that the funds exposure to bad debts is not significant. An appropriate level of provision is maintained.

Legal risk

Legal risk is the risk that the fund will be exposed to contractual obligations which have not been provided for. Legal representatives of the fund monitor the drafting of contracts to ensure that rights and obligations of all parties are clearly set out.

· Cash flow risk

Cash flow risk is the risk that future cash flows associated with monetary financial instruments will fluctuate. The fund is exposed to cash flow risk in respect of variable rate debt instruments into which it is invested. The Board of Fund monitors cash flows by using monthly cash flow projections.

Liquidity risk

Liquidity risk is the risk that the fund will encounter difficulty in raising funds to meet commitments associated with financial instruments. The funds liabilities are backed by appropriate assets and is has significant liquid resources.

· Market risk

The key components of market risk are: price risk, interest rate risk and undiversifiable (systemic) risk.

Price risk

Price risk is the risk that the value and/or future cash flow of a financial instrument will fluctuate as a result of changes in market prices.

· Interest rate risk

Interest rate risk is the risk that the value and/or future cash flows of financial instruments will fluctuate as a result of changes in interest rates. The Board of Fund monitors exposures to interest rate risk by using monthly cash flow projections.

Currency risk

Currency risk is the risk that the value of an instrument will fluctuate in Rands owing to changes in foreign exchange rates. The funds exposure to currency risk is mainly in respect of foreign Investments made on behalf of members of the fund for the purpose of seeking desirable international diversification of investments. The Board of Fund monitors this aspect of the funds investments and limits it to SARB limits of total assets.

· Irivestments

Investments in equities are valued at fair value and therefore susceptible to market fluctuations. Investments are managed with the alm of maximising the funds returns while limiting risk to acceptable levels within the framework of statutory requirements.

Continuous monitoring takes place to ensure that appropriate assets are held where the liabilities are dependent upon the performance of specific portfolios of assets and that a suitable match of assets exists for all non-market related liabilities.

18 Promised retirement benefits

The actuarial present value of promised retirement benefits, distinguishing between vested benefits and non-vested benefits is set out in the report of the valuator.

19 Related party transactions

Principal officer fees

During the current financial period, fees amounting to R419 905 were paid to the Principal Officer.

Board of fund

The Board members of the Fund make contributions to the fund, and receive benefits from the fund. The Board

NATAL JOINT MUNICIPAL PENSION FUND (RETIREMENT)

Registration number: 12/8/6676 For the year ended 31 March 2016

SCHEDULE HB

REPORT OF THE VALUATOR

Particulars of financial condition of the fund

The statement below is based on the 31 March 2015 statutory actuarial valuation report that was accepted by the Financial Services Board on 20 June 2016.

- 1. Net assets available for benefits (a): R3 650 776 000
- 2. The actuarial value of the net assets available for benefits, for the purposes of comparison with the actuarial present value of promised retirement benefits: R3 650 776 000
- 3. The actuarial present value of promised retirement benefits (b), split into vested (c), and non-vested benefits at: R3 369 772 000 all vested
- 4. Contingency reserve account allocations that were recommended in the actuarial valuation report:

Risk Reserve:

R65 661 000

Solvency Reserve Pensioners (balance of Memorandum Account):

R364 037 000

5. Details of the valuation method adopted (including that in respect of any contingency reserve) and details of any changes since the previous summary of report:

The liabilities were valued on an attained age method of valuation on the following basis:

Pre-retirement discount rate: 10%

it discount rate. 10%

Salary increases: 7% plus promotional scale

Post-retirement discount rate: 5% Mortality pre retirement: Fund specific

Mortality post retirement: PA(90) table (rated up 1 year for males), and allowing for an improvement in

mortality of 0,5% p.a. from 2007 onwards (with an overall improvement of 10% after 20 years)

The Risk Reserve is maintained in order to give some protection against fluctuations in mortality and morbidity experience of the members, and against the longevity risk of pensioners. Using the formulae set out in paragraph 4.4 of Circular PF117 a Risk Reserve of R 65.7 million is held.

The Memorandum Account was calculated as the accumulated value of the assets attributable to pensioners. The surplus of R 364 037 000 in the Memorandum Account for pensioners is retained as a contingency reserve (Solvency Reserve) to provide for minimum pension increases as prescribed by legislation and incorporated in the Fund's Regulations.

6. Details of the actuarial basis adopted (including that in respect of any contingency reserve) and details of any changes since the previous summary of report:

See paragraph 5.

7. Any other particulars deemed necessary by the valuator for the purposes of this summary:

The Employer and members are paying a surcharge of 17.5% of pensionable salaries for a period of 8 years, to meet the deficit in respect of contributory member liabilities of R 148.694 million. Excluding the surcharge, the "basic" contribution payable to the Fund by the Employer has been increased to 18.37% with effect from 1 July 2012.

The surplus of R 364.037 million in the Memorandum Account for pensioners is retained as a contingency reserve to provide for minimum pension increases as prescribed by legislation and incorporated in the Fund's Regulations.

8. The Memorandum Account in respect of pensioners was fully funded. The Fund's liabilities for the contributory members exceeded the value of the assets and the surcharge of 17.5% of pensionable salaries payable for 8 years is expected to return the funding level of the Fund to 100%. Subject to this, the Fund was in a sound financial condition as at 31 March 2015.

Prepared by me:

ARTHUR REUBEN ELS (FIA FASSA CFP° CFA CERA)

VALUATOR

In my capacity as an actuary of ARGEN Actuarial Solutions
Primary professional regulator: Actuarial Society of South Africa

26 August 2016

Notes

For the purposes of this summary of the valuation report:

- (a) Net assets available for benefits are the fair value of the assets of the fund less liabilities other than the actuarial present value of promised retirement benefits.
- (b) The actuarial present value of promised retirement benefits means:
 - i. The actuarial liabilities in respect of past service benefits of active members, with due allowance for future salary increases where these affect the benefits in respect of past service, and with due allowance for increases in pension and deferred pensions at rates consistent with the pension increase policy of the fund;
 - Ii. The actuarial liabilities in respect of pensions in course of payment and deferred pensions, including any contingent annuity payable on the death of a pensioner, with due allowance for increases at rates consistent with the pension increase policy of the fund; and
 - iii. Any other accrued liability.
- (c) Vested benefits are benefits, the right to which, under the conditions of the fund, are not conditional upon continued employment.

Report of the auditor-general to the Board of Trustees and the Registrar of Pension funds on the factual findings of the Natal Joint Municipal Pension Fund- Retirement

I have performed the procedures agreed with the Registrar of Pension Funds (the "Registrar") and set out below with respect to the audited financial statements ("annual financial statements") and other information in the general ledger and management information comprising the accounting records of the Natal Joint Municipal Pension Fund (Retirement) (the "Fund") for the year ended 31 March 2016. My engagement was undertaken in accordance with the international Standard on Related Services (ISRS) 4400 Engagements to perform agreed-upon procedures regarding financial information. Our procedures were performed solely to assist the Registrar in evaluating whether any instances of non-compliance with the requirements of the relevant sections of the Pension Funds Act of South Africa (the Act), regulations and rules of the Fund were identified. The responsibility for determining the adequacy or otherwise of the procedures agreed to be performed, is that of the Registrar.

Procedures and findings

My procedures performed are set out in the numbered paragraphs in the attached table, which forms part of our report, together with our findings thereon. Unless otherwise indicated, all balances, lists, schedules etc. referred to in the table relate to the accounts/balances reflected in the annual financial statements of the Fund for the year ended 31 March 2016.

Because the procedures do not constitute an audit, a review or other assurance engagement performed in accordance with the IAASB's International Standards I do not express any assurance. Had I performed additional procedures, or had I performed an audit, a review, or other assurance engagement, other matters might have come to my attention that would have been reported.

Restriction on use and distribution

My report is solely for the purpose set out in the first paragraph of this report and for the information of the Registrar and accordingly may not be suitable for any other purpose and distributed to other parties. This report relates only to the information specified and does not extend to the annual financial statements of the Fund taken as a whole.

Procedures and Findings

| Procedures | Findings |
|---|--|
| Statement of Net Assets and Funds | |
| Investments | |
| Inspect the list of investment balances reflected in the general ledger of the Fund as at 31 March 2016 for any investments in accordance with the terms of section 19(4) of the Act. | Not applicable. There are no investments in the participating employer. |
| Agree details of the written confirmations obtained from the investment managers/insurers to the investment balances reflected in the general ledger. | Not Applicable. |
| Where investments held in the participating employer exceed 5% of the total assets as reflected in the financial statements, inspect the appropriate approval of the Registrar. | Not Applicable. |
| Obtain the signed investment policy statement and, where applicable, the portfolio management agreement/investment mandate between the Fund and the investment administrators, and perform the following procedures on a sample of 10 mandates (comprising the 3 largest by value of investments at year end and 7 other randomly selected mandates): | Obtained the signed investment policy statement and, where applicable, the portfolio management agreement/investment mandate between the Fund and the investment administrators, and performed the following procedures: |
| Inspect whether the underlying investments are in compliance with the signed investment policy statement and, where applicable, the portfolio management agreement/investment mandate. | The underlying investments were in compliance with the signed investment policy statement and, where applicable, the portfolic management agreement/investment mandate. |
| | Investments Inspect the list of investment balances reflected in the general ledger of the Fund as at 31 March 2016 for any investments in accordance with the terms of section 19(4) of the Act. Agree details of the written confirmations obtained from the investment managers/insurers to the investment balances reflected in the general ledger. Where investments held in the participating employer exceed 5% of the total assets as reflected in the financial statements, inspect the appropriate approval of the Registrar. Obtain the signed investment policy statement and, where applicable, the portfolio management agreement/investment mandate between the Fund and the investment administrators, and perform the following procedures on a sample of 10 mandates (comprising the 3 largest by value of investments at year end and 7 other randomly selected mandates): Inspect whether the underlying investments are in compliance with the signed investment policy statement and, where applicable, the portfolio management agreement/investment |

| | Procedures | Findings |
|-------|--|--|
| 1.2.2 | Inspect whether the Investment mandate and the Investment policy statement provide for securities lending transactions and investments in derivatives as prescribed. | The investment mandate and the investment policy statement dld provide for securities lending transactions and investments in hedge funds, private equity funds and derivatives, as prescribed. |
| 1.2.3 | Inspect whether the collateral and counterparty requirements as prescribed are complied with. | Not applicable. Investment mandates and investment policy do not prescribe collateral and counterparty regulrements. |
| 1.2.4 | For segregated portfolios, confirm directly with the investment administrators: (a) whether scrip lending took place during the year and, if so, (b) whether there was collateral provided by the counterparties for any scrip lending activities and, if so, (c) the percentage exposure covered by the collateral. Report on the amount for a). | The direct confirmations received from the investment administrators indicated that: (a) scrip lending took place during the year. Scrip lending amounted to R 518,339,388 as at 31 March 2016, and (b) collateral was provided by the counterparties for scrip lending activities; and (c) collateral provided covered 138% of the exposure. |
| 2 | Member Individual accounts (defined contributions funds as well as defined contribution section of hybrid funds) | Not applicable. Natal Joint Municipal Pension Fund (Retirement) is Defined benefit fund. |
| 2.1 | Obtain a list of member individual accounts as reflected on the Statement of Net Assets and Funds as at 31 March 2016. | Not applicable. Natal Joint Municipal Pension Fund (Retlrement) is a defined benefit fund. |
| 2.2 | Select a random sample of the lesser of 25 or 10% of the number of members from the list of members and perform the following procedures: | Not applicable. Natal Joint Municipal Pension Fund (Retirement) is a defined benefit fund. |
| 2.2.1 | Compare the member and employer contributions received and allocated for the members selected as reflected on the administrator's system, to information supplied by the participating employers for those members selected, for a randomly selected period of three months (including the last month of the year under review). | Not applicable. Natal Joint Municipal Pension Fund (Retirement) is a defined benefit fund. |
| 2.2.2 | Compare the member and employer contribution rates for the members selected as reflected on the administrator's system, to the rules of the Fund, for a randomly selected period of three months (including the last month of the year under review). | Not applicable. Natal Joint Municipal Pension Fund (Retirement) is a defined benefit fund. |
| 2.2.3 | In respect of unitised investment products, for the three months selected in 2.2.1 and 2.2.2, calculate the conversion of the contributions at the unit price per the administration system on the dates that the contributions were invested and compare the units recalculated to the administration system units for the selected members. Inspect that the units were added to the existing units for that member. | Not applicable. Natal Joint Municipal Pension Fund (Retirement) is a defined benefit fund. |

| | Procedures | Findings |
|-------|--|--|
| 2.2.4 | In respect of unitised investment products, calculate the conversion of units at the end of the year, at the year-end unit price per the administration system and agree the calculated amount to the member's fund credit amount recorded in each member's record. | Not applicable. Natal Joint Municipal Pension Fund (Retirement) is a defined benefit fund. |
| 2.2.5 | in respect of unitised investment products, compare the unit price(s) as per investment manager/actuary/other authorised party at the year-end to the unit prices on the administration system used to calculate each member's credits at year-end. | Not applicable, Natal Joint Municipal Pension Fund (Retirement) is a defined benefit fund. |
| 2.2.6 | In respect of non-unitised Investment products, compare the Interim and/or final return allocated to each Individual member's account in the administrator's records for the year under review to the return approved in accordance with a resolution of the Board of Fund or the rules of the Fund or approved recommendation by the investment consultant/asset manager/fund valuator. | Not applicable. Natal Joint Municipal Pension Fund (Retirement) is a defined benefit fund. |
| 2.3 | Obtain a list of members who switched investment portfolios during the year from the Fund/administrator, select a random sample of the lesser of 25 or 10% of members who switched between investment portfolios during the year, and perform the following procedures: | Not applicable. Natal Joint Municipal Pension Fund (Retirement) is a defined benefit fund. |
| 2.3.1 | Inspect evidence that the portfolios were switched in accordance with notification of the member's instruction/ investment strategy (including life stage models) of the Fund and within a timeframe as specified in the service level agreement or client mandate between the administrator and the Fund. | Not applicable. Natal Joint Municipal Pension Fund (Retirement) is a defined benefit fund. |
| 2.3.2 | Inquire as to whether any fees relating to switches were deducted, and if so, inspect evidence of the approval by the Board of Fund and/or in terms of a service level agreement or client mandate. | Not applicable. Natal Joint Municipal Pension Fund (Retirement) is a defined benefit fund. |
| 2.4 | For Investment products obtain the Asset Liability Match (ALM) reconcillation per Investment portfolio, excluding the reserve accounts, for member individual accounts from the administrator, and perform the following procedures: | Not applicable. Natal Joint Municipal Pension Fund (Retirement) is a defined benefit fund. |
| 2.4.1 | Compare the investments per product on the ALM reconciliation to the investment certificates in total. | Not applicable. Natal Joint Municipal Pension Fund (Retirement) is a defined benefit fund. |
| 2.4.2 | Compare the member individual accounts on the ALM reconciliation per investment portfolio to the administration system and to the total member individual accounts as disclosed in the Statement of Net Assets and Funds. | Not applicable. Natal Joint Municipal Pension Fund (Retirement) is a defined benefit fund. |

| | Procedures | Findings |
|---------|---|---|
| 2.4.3 | Inspect whether the total mismatch (In Rand) for all portfolios was within the range as prescribed by the Registrar. | Not applicable. Natal Joint Municipal Pension Fund (Retirement) is a defined benefit fund. |
| 3 | Accumulated funds (for defined benefit funds as well as defined benefit sections of hybrid funds) | |
| 3,1 | Select a sample of the lesser of 25 or 10% of the number of members from the list of members provided by the administrator and perform the following procedures for each member selected: | |
| 3.1.1 | Compare the member contributions received and allocated for the members selected as reflected on the administrator's system, to information supplied by the participating amployers for those members selected, for a randomly selected period of three months (including the last month of the year under review). | The member contributions received and allocated for the members selected as reflected on the administrator's system agreed to information supplied by the participating employers for the three months selected: August 2015, November 2015 and March 2016. |
| 4 | Surplus apportionment scheme | |
| 4.1 | If a surplus apportionment scheme was approved by the Registrar in the current year or if allocation and/or payments to members were made during the year, perform the following procedures: | Not applicable. There was no surplus apportionment scheme approved by the Registrar in the current year nor was there an allocation and/or payments made to members during the year. |
| 4.1.1 | Active members: Select a random sample of the lesser of 25 or 10% of number of active members to whom surplus has been apportioned in the approved surplus apportionment scheme and perform the following procedures: | Not applicable. There was no surplus apportionment scheme. |
| 4.1.1.1 | Agree the original surplus amount allocated to the selected member to the Individual allocation on the member records per the administration system. | Not applicable. There was no surplus apportionment scheme. |
| 4.1.1.2 | Inspect whether the calculation of the relevant investment return from surplus apportionment date to date of allocation was in accordance with the requirements of the Act and allocated to the member records in the administration system. | Not applicable. There was no surplus apportionment scheme. |
| 4.1.2 | Former members and pensioners: Select a random sample of the lesser of 25 or 10% of number of former members and pensioners as defined by the surplus apportionment scheme from the surplus schedules attached to the approved surplus apportionment scheme and perform the following procedures: | Not applicable. There was no surplus apportionment scheme. |

| | Procedures | Findings |
|---------|--|--|
| 4.1.2.1 | Agree the original surplus amount allocated to the selected member and/or pensioner to the individual allocation on the member records per the administration system. | Not applicable. There was no surplus apportionment scheme. |
| 4.1.2.2 | Inspect whether the calculation of the relevant investment return from surplus apportionment date to date of allocation was in accordance with the requirements of the Act and allocated to the member records in the administration system. | Not applicable. There was no surplus apportionment scheme. |
| 4.1.2.3 | Agree the total of the amount calculated in 4.1.2.1 and 4.1.2.2 to the surplus benefit paid per selected member and to the applicable amount per the administration system and other authorised supporting documentation. | Not applicable. There was no surplus apportionment scheme. |
| 5 | Member and employer surplus accounts | |
| 5.1 | Obtain the analysis of the transactions in the member and/or employer surplus account per the annual financial statements, and perform the following procedure: | Not applicable. There are no surplus accounts in the annual financial statements. |
| 5.1.1 | Inspect that the transactions are permitted in terms of the registered rules of the Fund and/or the Act. | Not applicable. There are no surplus accounts in the annual financial statements. |
| 6 | Reserves | |
| 6.1 | Obtain the list of reserves and other related accounts (e.g. pensioner accounts) and the movements per the financial statements and/or in the actuarial valuation, and perform the following procedures: | Obtained the list of reserves and other related accounts (e.g. pensioner accounts) and the movements per the financial statements and/or in the actuarial valuation, and performed the following procedures: |
| 6.1.1 | Inspect whether the reserve and other related accounts (e.g. pensioner accounts) held by the Fund and/or reflected in the actuarial valuation are in accordance with the registered rules of the Fund. | The solvency reserve and risk reserve held by the Fund and reflected in the actuarial valuation were in accordance with the registered rules of the Fund. |
| 6.1.2 | Inspect that the movements in reserves as disclosed in the annual financial statements are permitted in terms of the registered rules of the Fund and/or the Act. | The movements in the solvency and risk reserve as disclosed in the annual financial statements were permitted in terms of the registered rules of the Fund and/or the Act. |
| 7 | Other assets, liabilities and guarantees | |
| 7.1 | Obtain the list of housing loans granted to members by the Fund in terms of section 19(5) of the Act as at 31 March 2016, and perform the following procedure: | Not applicable. The fund rules do not make provision for granting of housing loans. |
| 7.1.1 | Agree the total housing loans on the above list to the corresponding account in the annual financial statements. | Not applicable. The fund rules do not make provision for granting of housing loans. |

| | Procedures | Findings |
|----------------|---|--|
| 7.2 | From the list in 7.1, randomly select a sample of the lesser of 25 or 10% of the number of members' housing loans granted and perform the following procedures: | Not applicable. The fund rules do not make provision for granting of housing loans. |
| 7 .2 .1 | Inspect evidence that the value of the housing loan provided does not exceed the amount permitted by the rules and the home loan agreement. | Not applicable. The fund rules do not make provision for granting of housing loans. |
| 7.2.2 | Inspect evidence that the housing loan has been granted in terms of Section 19(5) (a). | Not applicable. The fund rules do not make provision for granting of housing loans. |
| 7.2.3 | Inspect evidence that repayments are being made in accordance with the housing loan agreement. | Not applicable. The fund rules do not make provision for granting of housing loans. |
| 7.2.4 | Inspect the interest charged on the outstanding housing loan and compare the rate used to the prescribed rate. | Not applicable. The fund rules do not make provision for granting of housing loans. |
| 7.2.5 | If the Fund issued more than 100 housing loans or the total principal debt of all outstanding loans exceeded R500 000, inquire whether the Fund was registered as a credit provider under the National Credit Act, 2005 (the NCA). | Not applicable. The fund rules do not make provision for granting of housing loans. |
| 7.3 | Obtain the list of housing loan guarantees and select a sample of the lesser of 25 or 10% of the number of housing loan guarantees and perform the following procedures: | Obtained a list of housing loan guarantees and performed the following procedures: |
| 7.3.1 | For the sample selected, determine that each selected housing loan guarantee did not exceed the gross value of the benefit that the member would become entitled to had they withdrawn, as at the year end, in terms of the Act, the loan agreement and/or the rules of the Fund. | The sample of housing loan guarantees selected did not exceed the gross value of the benefit that the member would become entitled to had they withdrawn, as at the end of the period, in terms of the Act, the loan agreement and/or the rules of the Fund. |
| 7.3.2 | Inspect evidence that the housing loan guarantee has been granted in terms of Section 19(5) (a). | The housing loan guarantee had been granted in terms of Section 19(5) (a). |
| 7.4 | Obtain a list of other loans per the general ledger of the Fund as at 31 March 2016 and perform the following procedure: | Not applicable. No other loans have been granted by the Fund. |
| 7.4.1 | Confirm that no loans were granted and/or investments made as prohibited in terms of section 19(6)B. | Not applicable. No other loans have been granted by the Fund. |
| ' | Statement of Changes in Net Assets and Funds | |
| A | Contributions | |
| B.1 | Select a sample of the lesser of 25 or 10% of the number of participating employers or pay points (whichever is the lower) from a list of participating employer/pay-points supplied by the Fund/administrator, select three months and perform the following procedures: | |

| | Procedures | Findings | | |
|-------|---|---|--|--|
| 8.1.1 | Compare, in total, the contributions received by or on behalf of the Fund to the remittance advices from the participating employer/paypoint. | The contributions received by or on behalf of the Fund agreed to the remittance advice from the participating employer/paypoint. The months selected were August 2015, November 2015 and January 2016. | | |
| 8.1.2 | Inspect the bank statements for the date on which the cash was received to determine whether the contributions were deposited with a registered bank in accordance with section 13A of the Act and whether late payment interest has been raised in terms of regulation 33, where applicable. | Contributions were deposited with a registered bank in accordance with section 13A of the Act. The participating employers from the sample selected made payment on time for the three months selected, therefore late payment interest is not applicable. | | |
| 8.2 | Select a sample of the lesser of 25 or 10% of the number of participating employers or pay points which reflect arrear contributions (whichever is the lower) at year-end from a list supplied by the Fund/administrator and perform the following procedure: | | | |
| 8.2.1 | Inspect the accounting records of the Fund to determine whether amounts disclosed as arrear contributions at year-end have been | Municipality Amount Date of receipt | | |
| | paid to the Fund within the prescribed period in accordance with the requirements of section 13A of the Act. Where the amounts were received after the prescribed period, report the date of receipt and where they were not received, indicate as such. | eDumbe 19,314 30/06/2016 and 07/07/2016 | | |
| 9 | Benefits | | | |
| 9.1 | Obtain a list from the administration system of lump sum benefits reflected as expenses in the Fund's Statement of Changes in Net Assets and Funds for the year under review and perform the following procedure: | Obtained a list from the administration system of lump sum benefits reflected as expenses in the Fund's Statement of Changes in Net Assets and Funds for the year under review and performed the following procedure: | | |
| 9.1.1 | Compare the list to the respective general ledger benefit expense accounts reconciliation. | The detailed list had been agreed to the respective general ledger benefit expense accounts reconciliation. | | |
| 9.2 | Select a sample of the lesser of 25 benefits or 10% of the total number of benefits from the list and perform the following procedures: | | | |
| 9.2.1 | Compare the benefit per selected member to the administration system and authorised supporting documentation in accordance with the procedures of the Fund. | The benefit paid agreed to the administration system and authorised supporting documentation in accordance with the procedures of the Fund. | | |
| 9.2.2 | For death benefits, where a portion of the benefit had been reinsured by the Fund, inspect a bank deposit or an accrual raised for the recovery from the insurer. | Not applicable. | | |

| ١. | Procedures | Findings |
|--------|---|---|
| 9.2.3 | For a defined benefit fund and hybrid funds with a defined benefit underpin Inspect that the calculation of the benefit payment was done by the actuary in accordance with the requirements of the rules of the Fund and/or the Act. | For a defined benefit fund and hybrid funds with a defined benefit underpin The calculation of the benefit payment by the actuary was done in agreement with the requirements of the rules of the Pension Fund Act. |
| | For a defined contribution fund Agree the opening fund credit for the member to the opening fund credit report and determine whether contributions were added every month until the date of exit (either by Rand amount or in the case of unitised funds, by units). Agree the balance paid out to the member (inclusive of late payment interest where applicable) to the fund credit report or administration system as at the date of exit. | For a defined contribution fund Not applicable. |
| 9.3 | Obtain a list of all benefits not yet paid at year- end, select a sample of the lesser of 25 benefits or 10% of the total number of benefits from the list and perform the following procedure: | Obtained a list of all benefits not yet paid at year-end, and performed the following procedure: |
| 9.3.1 | Agree whether the benefits that are older than the period as set out in the Act or a shorter period defined by the Rules are classified as unclaimed benefits. | The benefits that were older than the period as set out in the Act or a shorter period defined by the Rules were classified as unclaimed benefits. |
| 10 | Transfers | |
| 10.1 | Compare the list of total section 14 transfers to and from the Fund to the corresponding accounts in the general ledger. | The list of total section 14 transfers to and from the Fund agreed to the corresponding account in the general ledger. |
| 10.2 | From the list of section 14 transfers paid/received and accrued to and from the Fund throughout the year select a sample of the lesser of 25 or 10% of the number of transfers in and the lesser of 25 or 10% of the number of transfers out, and perform the following procedures: | |
| 10.2.1 | Agree the sample of section 14 transfers to and from the Fund to: a) the section 14(1) documentation as approved by the Registrar in respect of each transfer, and/or b) the section 14(8) documentation as prescribed. | The sample of section 14 transfers to and from the Fund agreed to: a) the section 14(1) documentation as approved by the Registrar in respect of each transfer. b) Not applicable. |

| | Procedures | Findings |
|--------|---|--|
| 10.2.2 | Inspect whether the transfers to and from the Fund were received/paid within 60 days of Registrar approval for section 14(1) transfers and 180 days from application date for section 14(8) transfers and whether the growth and investment return had been allocated from the effective date of the transfer to the date of final settlement. | After the 12 month transfer period expired, the registrar was furnished with the final scheme of members transferred. The registrar issued a s14(1)(e) certificate. inspected the s14(1)(e) certificate. |
| 10.2.3 | in respect of unitised funds, select a sample of the lesser of 25 or 10% of the number of members transferred from other funds and recalculate the purchase of units for the amount received using the unit price per the administration system on the date of receipt. (Where units were purchased after date of receipt, investment return was added from the date of receipt to the date of purchase). | Not applicable. Natal Joint Municipal Pension Fund (Retirement) is not a unitised fund. |
| 10.3 | Individual transfers Obtain the list of Individual transfers throughout the year ended 31 March 2016, select a sample of the lesser of 25 or 10% of the number of Individual transfers, and perform the following procedures: | Not applicable. There were no Individual transfers throughout the year ended 31 March 2016. |
| 10.3.1 | Agree the transfers to the approved recognition of transfer documentation. | Not applicable. There were no individual transfers throughout the year ended 31 March 2016. |
| 10.3.2 | For Individual transfers in selected In respect of unitised funds, recalculate the purchase of units for the amount received using the unit price per the administration system on the date of receipt. (Where units were purchased after date of receipt investment return was added from the date of receipt to the date of purchase). | Not applicable. There were no individual transfers throughout the year ended 31 March 2016. |
| 11 | Pensioners paid | |
| 11.1 | Obtain a copy of the list of pensioners and amounts paid for the year from the administration system and/or, for outsourced pensioners, confirmation from the insurer and perform the following procedure: | Obtained a copy of the list of pensioners and amounts paid for the year from the administration system and performed the following procedure: |
| 11.1.1 | Agree the total pensions pald for the year ended 31 March 2016 to the corresponding account reconciliation to the general ledger balance. | Agreed the total pensions paid for the year ended 31 March 2016 to the corresponding account reconciliation and the general ledger balances. |
| 11.2 | Select a sample of the lesser of 25 or 10 % of the number of pensioners pald directly from the fund from the above list and perform the following procedures: | |
| 11.2.1 | Inspect the pensioner Increases for authorisation by the Board of Fund. | The pensioner increases were authorised by the Board of Fund. |
| 11.2.2 | Inspect evidence obtained by the administrator/Fund supporting the fact that the pensioners selected exist. | Inspected the declaration forms which indicated that the pensioners selected existed. |

| | Procedures | Findings |
|--------|--|--|
| 11.3 | Where the Fund has purchased an annuity in the name of the Fund, obtain a written confirmation from the annuity provider summarising movements from opening market value to closing market value and perform the following procedures: | Not applicable. Inspected the Fund's investments listing, the Fund does not have investments in the form of annuities. |
| 11.3.1 | Agree the closing market value of the annuity to the annual financial statements. | Not Applicable. |
| 11.3.2 | Agree the pensioner payment per the confirmation from the insurer to the pensions paid disclosed in the notes to the annual financial statements. | Not Applicable. |
| | General | |
| 12.1 | Inspect evidence that the Fund's fidelity insurance cover was in place throughout the year ended 31 March 2016 that the Fund's fidelity insurance cover extends after year-end and report the date to which the subsequent fidelity insurance cover extends. | The Fund's fidelity insurance cover was in place throughout the year ended 31 March 2016, the Fund's fidelity insurance cover extended after year-end. The subsequent fidelity insurance cover extended to 29 February 2017. |
| 12.2 | Confirm with the Fund's GLA insurer as to whether the GLA policy has lapsed at year ended 31 March 2016. | Not applicable. The Fund dld not have a GLA policy. |
| 12.3 | Obtain the most recent statutory valuation signed and submitted by the valuator as at 31 March 2016 and perform the following procedures: | |
| 12.3.1 | Report the funding status of the Fund per the report (whether the Fund was under-funded or fully funded). | Per the report the Fund was under-funded. |
| 12.3.2 | Where the Fund is under-funded, obtain evidence as to whether a scheme, as required in terms of section 18 of the Act in South Africa, has been approved by the Registrar. | A scheme, as required in terms of section 18 of the Act in South Africa, has been approved by the Registrar. |

Schedule IB

Independent auditor's report on assets held in compliance with regulation 28

To The Board of Trustees

I have audited Schedule IB "Assets held in compliance with Regulation 28" of the Natal Joint Municipal Pension Fund (Retirement) (the Fund) at 31 March 2016 (the Schedule) for compliance with the requirements of Regulation 28 of the Pension Funds Act of South Africa (the Regulation). My engagement arises from our appointment as auditor of the fund and is for the purpose of assisting the Trustees to report to the Registrar of Pension Funds (the 'Registrar').

The information contained in Schedule IB has been extracted from the fund's underlying accounting records that were the subject of our audit engagement on the annual financial statements and forms the subject matter of this engagement. My audit of the annual financial statements of the Natal Joint Municipal Pension Fund (Retirement) for the year ended 31 March 2016 was conducted in accordance with International Standards on Auditing and in our report dated 30 August 2016 I expressed an unmodified opinion on the financial statements, prepared, in all material respects, with the Regulatory Reporting Requirements for Retirement Funds in South Africa.

The Board of Trustees' Responsibility for the Schedule

The Board of Trustees is responsible for the preparation of the Schedule in accordance with the Regulatory Reporting Requirements for Retirement Funds in South Africa and in compliance with the Regulation, and for such internal control as the Board of Trustees determines is necessary to enable the preparation of the Schedule that is free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion based on our audit of the Schedule. I conducted my audit in accordance with International Standards on Auditing. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Schedule is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Schedule. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Schedule, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the Schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, Schedule IB "Assets held in compliance with Regulation 28" at 31 March 2016 by Natal Joint Municipal Pension Fund (Retirement) has been prepared in all material respects in accordance with the Regulatory Reporting Requirements for Retirement Funds in South Africa and in compliance with the Regulation.

Restriction on Use

Without modifying my opinion, I draw attention to the purpose of our report as indicated in the introductory paragraph, and the basis of accounting. Consequently, the Schedule and our auditor's report may not be suitable for another purpose.

Pietermarltzburg

audito, - General
