## National Wills Week

### 26 - 30 October 2020

#### WHAT IS FREEDOM OF TESTATION?

Having a Will grants you this freedom and the ability to ensure that your assets are disposed of in accordance with your wishes after your death.

#### WHAT IS NATIONAL WILLS WEEK? #WILLSWEEK20

National Wills week is where you have a week to decide which day you will go to any of the participating attorneys and law firms, to have your Will drafted free of charge.

#### WHY DO YOU NEED A WILL?

A Will is one of the most important documents you will ever draw up. Your Will is a living document that will reflect your wishes and will be your representative upon your death.

#### WHAT DO I NEED TO BRING WITH ME ON THE DAY?

To your appointment with the attorney:

- Take your ID document along with you
- A list of what you own (including specific personal items that you wish to bequeath to specific people)
- Know who should get what.

Be sure to make your appointment with an attorney to draft your Will FREE OF CHARGE during National Wills Week from 26-30 October 2020.

***Please be advised that only new basic Wills will be drafted. No changes to existing Wills will be on offer during National Wills Week.***
